Education

Food Engineering - Junior

Middle East Technical University (METU)

📅 September 2018 – Ongoing

📍 Ankara, Turkey

Work Experience

Summer Internship

Palsgaard

📅 August 2022 – September 2022

📍 İstanbul, Turkey

- I had the opportunity to work in the application laboratory of this company in the field of chocolate and bakery. I learned about chocolate production processes and additives. In addition, since it is a Danish-based company that produces natural additives, I took care of the Danish guests during my stay.

Summer Internship

Ak Gıda

📅 August 2021 – September 2021

📍 Sakarya, Turkey

- Ak Gıda under the Lactalis Group is the company that processes the most milk in Turkey. During my stay, I had the chance to examine the process of daily products. I learned about Tetra Pak and Procomac as product packaging. I studied analysis and machinery in chemistry, raw milk and packaging labs. I saw yoghurt, fresh cheese, dessert, milk, kefir varieties and production.

Part Time Job

Türkiye Şeker Fabrikaları

📅 March 2021 – June 2021

📍 Ankara, Turkey

- In the quality control department, I researched the articles in the regulation and checked the labels of the products. Then I moved to the human resources department. In this department, I assisted the recruitment processes and changed the personnel filing system. Finally, I went to the finance department and made annual sugar production and sales calculations here.
